#### Notes:

From Brian Stone for discussion:

The Dean of CAS, Chris Olsen, has suggested we make writing central to the CAS HLC initiative for Fall 2020. The AC and the ALT can play a central role in this process. Below is a list of questions to consider for a conversation on this possibility:

- What do you value in student writing?
- What concerns do you have about student writing abilities?
- What are reasonable goals for developing a writing assessment culture on campus?
- Where might we find collaborators?
- What are our options/possibilities for assessing student writing at the university level? (What writing construct would provide for robust data and the opportunity to close the feedback loop?)
- Who are the stakeholders in university-wide writing assessment?
- Thoughts about a strategic plan?
- University-wide writing assessment mission statement?

#### Dates & Deadlines:

- **HLC Student Survey:** Link sent to students on April 6. Survey open through April 15.
