BM Music Performance

Spring 2020

Top of Form

Bottom of Form

<b>Outcome</b>	<b>Related Foundational Studies or Graduate Goal</b>
Students will Synthesize Musical Skills— Students will synthesize musical skills through preparation, performance, and informed interpretation as a soloist on their principal instrument.	
Understanding of the Context and Structure— Students will synthesize an understanding of the context and structure of music through analysis, research and writing.	Foundational Studies 10: Express themselves effectively, professionally, and persuasively both orally and in writing.
Creation and Realization of Music— Students will synthesize an understanding of musical concepts and structures through the creation and realization of music.	
Integrate Technology and Musicianship— Students will integrate technology and musicianship throughout their musical development.	
Performance Skills— Students will present a 45 to 60--minute senior recital with performance skills that demonstrate technical facility, musicality, artistry and poise at a level which will be worthy of acceptance into a master's degree program in music performance at a peer institution. All required recitals should contain repertoire that span musical styles, nationalities or languages, and/or time periods. All recital repertoire must have the approval of the Individual Performance Study faculty.
