When you are ready to schedule an exam, click “Schedule Exam” on the dashboard.

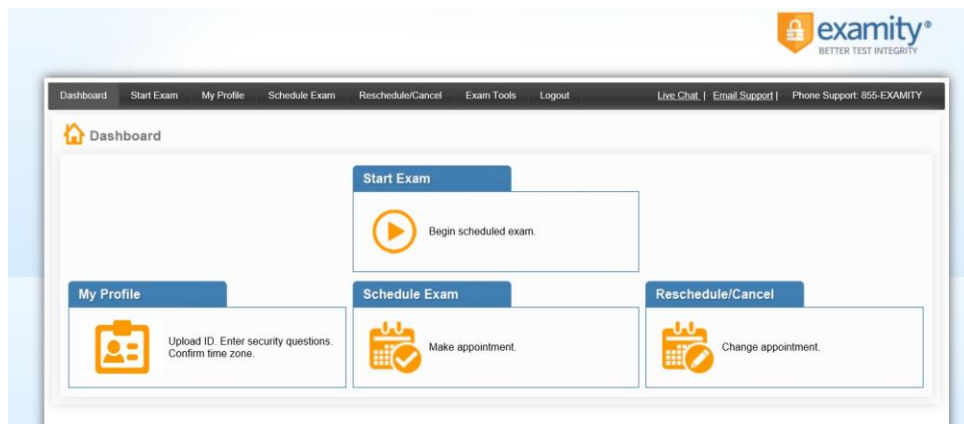

Select your instructor, course and exam name from the drop-down menus. Next, you will see a calendar. Select your preferred date and time. If you are scheduling less than 24 hours in advance, you must select the “On-Demand” scheduling option. There is a \$5 on-demand fee that is applied when using this feature.

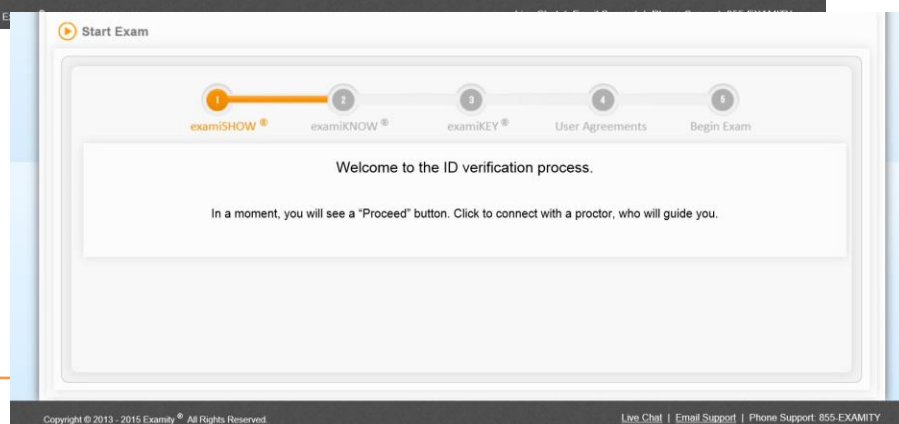

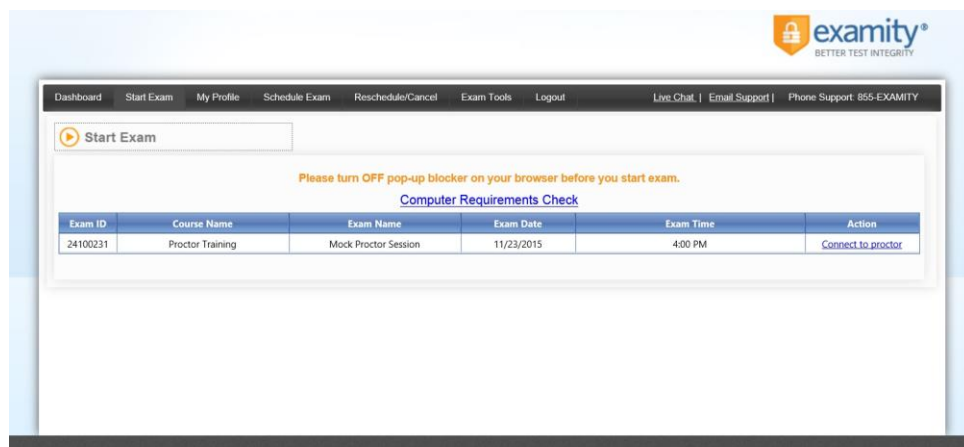

Rescheduling or Cancelling Your Exam

If you need to reschedule or cancel your exam, click the “Reschedule/Cancel” tab on the top navigation bar or on your dashboard.

Taking Your Exam

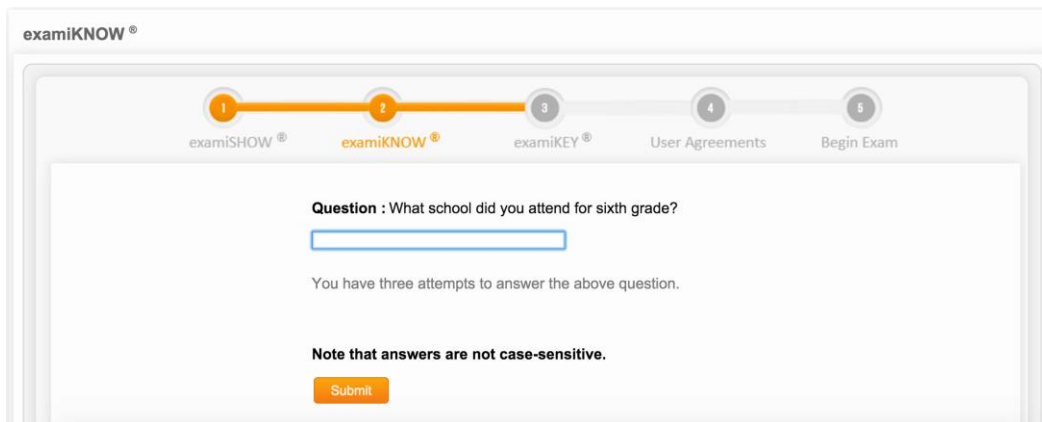

On your Examity[®] dashboard, select “Start Exam” and click on “Connect to Proctor.”

Proctor support will walk you through the authentication process. You will be asked to:

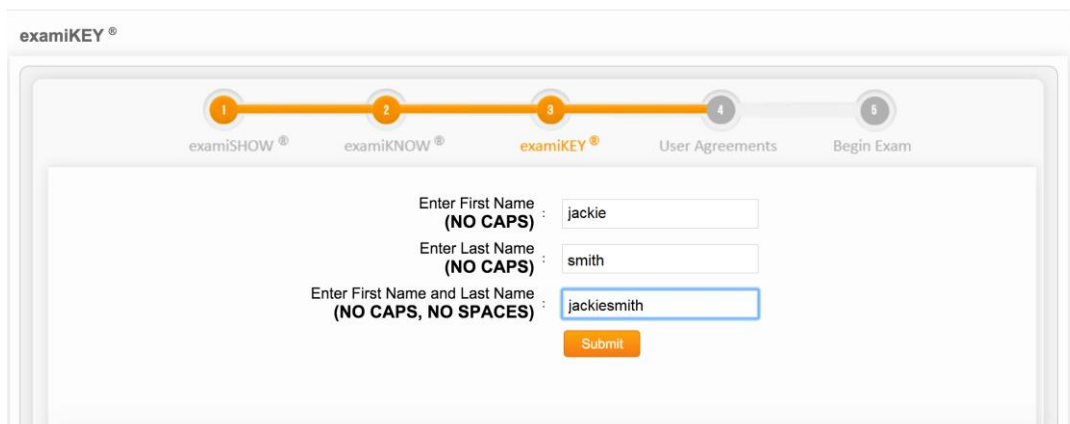

1. Verify your identity. Make sure you have your photo ID with you. You will be required to hold the ID in front of your webcam. The proctor will need to see both your name and photo clearly.
2. Review the exam rules.
3. Show your desk and workspace. The proctor will ask you to complete a 360° room pan and desk sweep with your webcam. This is to ensure your workspace is clear of any materials unauthorized by your instructor.

Next, answer a security question.
