SRC CLOSINGS in MAY 2018

Friday, May 4—*all facilities close at 6pm*

Saturday, May 12—Sunday, May 20

All facilities closed during this time

Open Letter to Members of the Indiana State University Student Recreation Center

As the end of the year approaches, we like to take the time to thank our wonderful student staffers who run the building during the year and honor our outstanding student employees at an awards dinner and ceremony. To insure that all students who work for us are able to attend, we close our facilities for a few hours on that one night. This year that night will be **Friday, May 4**.

Commencement will soon be here and as we did last year, we take the opportunity to use the week with the lowest usage of our facilities to clean our building and undertake major repair/renovation projects, while impacting our members' use as little as possible.

This year our list of work projects looks like this:

- Cleaning fitness center carpet which requires moving all fitness center equipment
- Painting of pool deck
- Replacement of carpet in vestibules
- Repairing sauna floor
- Potential repair of ceiling drywall at west end of fitness center
- Potential painting of shower ceilings in both men's and women's locker rooms

In order to accomplish these tasks during the least trafficked time, we are planning to close the Student Recreation Center from **Saturday May 12 – Sunday May 20, 2018**. *We will reopen Monday May 21.*

Yours in Fun & Fitness,
John Lentz
Director, Campus Recreation
