RULES and REGULATIONS GOVERNING MIDWEST CONSORTIUM SCHOLARSHIP 2018 – 2019

1. Midwest Consortium Scholarships are offered to a limited number of first-year students with demonstrated academic performance in high school. This scholarship offers eligible students a reduced tuition rate.
2. The Midwest Consortium Scholarship is good for a total of five consecutive calendar years from the date the student enters ISU for on-campus undergraduate instruction, or the point at which a student earns his/her first undergraduate degree, whichever comes first. The Midwest Consortium Scholarship may be used without penalty during summer sessions. Summer use will not count against his/her number of semesters of eligibility. To retain this scholarship, the student must:
 - A. Enroll as a full-time student each semester (minimum of 12 credits).
 - B. Be in academic good standing as measured at the end of each academic year for the duration of eligibility.
3. A student who withdraws or discontinues enrollment for one or more semesters may request renewal for a future semester by writing to the University Scholarship Office before withdrawing. The appeal form is available at indstate.edu/thebranch, and can be best found by searching "Scholarship Appeal Form." The appeal should include the reason(s) for withdrawal and the semester he/she is planning to re-enroll. Students who withdraw or discontinue full-time yearly enrollment without submitting a written appeal and getting approval for the reinstatement of the scholarship will forfeit their award. Once the scholarship is lost, it cannot be reinstated.
4. Semesters in which a student enrolls are charged against the offer regardless of completion of classes, incomplete grades or no grades.
5. If at any point during your undergraduate enrollment at Indiana State University your residency classification changes, you may no longer be eligible to receive the Midwest Consortium Scholarship. This will be effective from the point at which the residency change is granted to the student, including any retroactive decisions. 6. If at any point during your undergraduate enrollment at Indiana State University your choice of major changes to Nursing, you will no longer be eligible to receive the Midwest Consortium Scholarship. This will be effective from the point at which the change of major to Nursing is granted to the student, including any retroactive decisions.
