SUMMER 2019 – PAYMENT DUE DATES

PAYMENT PROCEDURES

If you register for classes before May 2, 2019, an email notification will be sent to your ISU email address and to the email address provided by authorized users, if applicable, in the ISU Student Account Suite after initial billing is complete. The email will alert you when a new bill is available for viewing at www.indstate.edu/payisu.

Two payment plan options exist from which you may choose—the Single Payment Plan or the Variable Payment Plan. Should your bill not reach you, you will still be responsible for paying by the deadline dates associated with the plan of your choice.

The Single Payment Plan requires full payment of academic and mandatory fees* by the dates listed below or a \$30.00 Variable Payment Plan Fee will automatically be assessed.

If you initial register:	Variable Payment Plan Fee Assessed:
On or before May 20	May 20, 2019
Between May 21 – June 10	June 10, 2019
Between June 11 – July 9	July 9, 2019

The Variable Payment Plan allows you the flexibility of determining the amount and timing of your payments, requiring only that your account be paid in full no later than July 9, 2019. A \$30.00 Variable Payment Plan Fee will automatically be assessed if academic and mandatory fees* remain unpaid as of the dates listed above.

If you register for classes after May 2, 2019, your MyISU Portal account will provide the amount you owe. **Bills may not be generated until after the Variable Payment Plan Fee has gone into effect.** You may choose from the two payment plan options described above.

*Includes distance delivery, and/or student recreation center fees. Excludes Non-term based Independent Study, Study Abroad, or Non-Credit, and University Apartment fees and normally excludes non-Web registered outreach courses.
