How to Access Your Textbook Scholarship

If you have received a textbook scholarship for the academic year, these instructions are for you! In order to receive the scholarship you must be enrolled full time, taking a minimum of 12 credit hours per semester. This scholarship is designed to help you succeed by being prepared for class. It is for use at the Indiana State University Barnes & Noble Bookstore and is specifically for textbooks; it cannot be used on clothing or other school supplies.

Beginning August 1, you will have a spending balance at the bookstore. Please note that fall spending for textbook scholarships closes **December 1**. If you have a balance on your account in fall, after purchasing your books, that balance will roll-over to the spring semester. **All of your textbook scholarship money for the academic year must be spent by April 1**. **There are no refunds.**

To use it in person at the bookstore:

Simply visit the bookstore, use your course schedule to select your textbooks, tell the cashier you are a textbook scholarship recipient (for example, a 21st Century Textbook Award recipient or a Child of Alumni Textbook Award recipient) and be sure to present your University ID. They will verify the available funds and apply the award to your purchase.
