HMSU

Overview

The HMSU is a student-focused facility that fosters socialization and community development, a comfortable place to relax, and office space for a variety of departments.

Traditionally considered the "hearthstone" or "living room" of the campus, today's student union is the gathering place of the college. The student union provides services and conveniences that members of the college community need in their daily lives and creates an environment for getting to know and understand others through formal and informal associations.

The union serves as a unifying force that honors each individual and values diversity. The union fosters a sense of community that cultivates enduring loyalty to the college. (Association of College Unions International, 1996)

The HMSU supports the mission of Indiana State University (ISU) by providing space for co-curricular and cultural programs and events, but it is not an academic building.

The HMSU is open to all ISU students, faculty, staff, and members of the public, subject to the reasonable limitations set by university policy. Failure to comply with policies or requests established by the HMSU Director or designee may result in action by the staff to deny privileges and/or assess appropriate fines or charges. This document will be updated annually before the start of the academic year. The HMSU Director or designee will determine any matters not expressly covered by this document.

Policies and Procedures

Policies and procedures have been developed to assist the HMSU staff with the daily operations of the facility and to guide visitors. These policies and procedures are not all-inclusive and do not limit the HMSU staff from making decisions or establishing additional policies and procedures based upon unique needs and/or circumstances. The policies and procedures were created with the intent to provide for the longterm care and maintenance of the facility, as well as provide fair access to event spaces and other resources. No policy in this manual will supersede university policy.

Requests for exceptions to any of the HMSU policies and procedures should be referred to the HMSU Director or designee in HMSU 213 or 812-237-8111.

Prohibited Conduct

HMSU users are prohibited from engaging in any conduct that substantially and unreasonably interferes with the safe and orderly use, operation or administration of the facilities. Prohibited conduct includes, but is not limited to the following:

- Excessive noise – See “Noise and Amplified Sound”
- Singing, dancing, aerobics, self-defense courses, recorded music or instrumental music of any kind is not permitted on the 2nd, 3rd or 4th floors of HMSU. Closeness of the rooms and noise crossover present a conflict with other meetings
- Engaging in conduct that unreasonably endangers health or safety
- Possessing a weapon or other dangerous item or device in violation of the ISU Weapons Policy

- Discarding litter anywhere in the facilities, except in designated trash receptacles
- Obstructing ingress/egress or access to fire exits, elevators or other thoroughfares
- Soliciting money or property for personal or commercial gain without prior approval
- Possessing or consuming alcoholic beverages, except in events specifically approved for the consumption of alcohol
- Defacing, damaging, vandalizing, or destroying any real or personal property
- Unauthorized bathing or washing of clothes or personal items
- The use and sale of smoking tobacco products is prohibited. This includes ecigarettes and vaping products. See ISU Policy Library - Policy 955: Tobacco, Vapor, and Smoke Free Campus.
- Skateboarding, roller skating, rollerblading, hoverboards or cycling (unless approved event)
- Engaging in conduct that violates any university policy, regulation or guideline, or any federal, state, or local law
- Engaging in any other conduct that tends to substantially and unreasonably interfere with the safe and orderly use, operation or administration of the facilities

Whenever feasible, a HMSU staff member will attempt to bring potentially prohibited conduct to the attention of a user. If a user is unwilling or unable to conform to the standards of conduct, the user will be asked to leave the HMSU. Violations of the standards of conduct may be referred to Student Conduct and Integrity, the Office of Human Resources, and/or law enforcement authorities as appropriate. In the event of significant or repeated violation(s) of the standards of conduct, a user may be prohibited from entering some or all of the HMSU.

Access and Use

The purpose of the HMSU is to serve the needs of ISU students, faculty and staff, and also to serve the needs of visitors and guests. These users and their guests shall not interfere with the regular use of the building by other facility guests. ISU reserves the right to request a valid form of identification in areas that are reserved for students, faculty and staff. The HMSU staff may remove any person whom they believe is disrupting or obstructing the daily operations and management of the facility.

Facility access and use for reserved spaces must be within the allotted confirmed time as noted on the event confirmation. Confirmed times must include event preparation, decorating, and/or rehearsal time, as well as time after the event to remove decorations,

client equipment and other items. The HMSU staff shall have the right to access and enter the event space for any reasonable purpose during the confirmed time.

Alcohol

Alcohol is not permitted in the HMSU, except during approved events catered by Sodexo. See ISU Policy Library – Policy 435: Alcohol Policy for Student-Related Events. Alcohol may only be served and consumed in specific areas of the building reserved for the event. It is the responsibility of the sponsoring organization to keep guests and alcohol in the designated space. All individuals purchasing and/or consuming alcoholic beverages must be a minimum of 21 years of age. Intoxicated individuals will be asked to leave the facility and will be managed by Public Safety. Students will be referred to Student Conduct and Integrity for disciplinary action. Faculty and staff are subject to human resources policies pertaining to a substance-free workplace.

Animals

Indiana State University recognizes the value and need of service animals to assist some students with disabilities. Students are encouraged to seek assistance from the Accessibility & Advocacy Office for any question involving use of a service animal on campus.

The implementing regulations of the Americans with Disabilities Act (ADA) define service animals as:

"any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability."

[28 CFR Part 35, Subpart B, §35.136](#)

In July 2015, the U.S. Department of Justice issued a series of Questions and Answers about service animals. The Department of Justice indicated that the task performed by the service animal must be directly related to the person's disability and the animal must be trained to take a specific action when needed to assist the person with a disability. Emotional support, therapy, comfort, or companion animals are not considered service animals under the ADA

because these animals are not trained to perform a specific task. For more information, see [Frequently Asked Questions about Service Animals and the ADA](#).

Students bringing service animals to campus are encouraged to register with the Accessibility & Advocacy Office (ARO).

Individuals with disabilities will be permitted to be accompanied by the service animal in the public areas of campus or any place where students are permitted to study, attend class or other programming, or within the residential life facilities and dining halls. Students requesting to have a service animal live with them in campus housing should contact [Residential Life](#) for more information.

However, service animals on the Indiana State campus must be controlled by the individual with a leash, harness, or tether or be otherwise under the individual's control through voice, signal, or other effective controls. Indiana State University reserves the right to remove a service animal if the service animal is out of the control of the handler or the service animal is not housebroken.

Emotional support, therapeutic, or comfort animals may be allowed to reside with students living in an Indiana State University Residential Life facility. For more information, please see the [Companion Animal Policy](#).

Indiana State University reserves the right to ask that the animal undergo additional training or be removed if it does not fit this description or if it has become disruptive. For example, a properly trained service animal will remain at its owner's feet. It does not run freely around, bark or growl repeatedly at other persons or animals, bite or jump on people, or urinate or defecate inside buildings. An animal that engages in such disruptive behavior shows that it has not been successfully trained to function as a service animal in public settings. The good health of the animal is the responsibility of the owner. If the animal is in ill health (bowel/bladder control problems, fleas, etc.), the owner may be asked to remove it from the University.

Audiovisual Technology

The HMSU has basic audiovisual equipment to assist clients with meetings or events. Discuss all non-standard or custom event needs with the HMSU staff (812-237-8478) early (at least 5 business days) in the planning stages. A dry run will be required 1-2 business days in advance of the event for all non-standard or custom needs.

Bicycles

Bicycle racks are provided outside the building. Bicycles and recreational motorized scooters (including Segways) may not be chained to any other outside railings, furniture or displays. Bicycles may not be left in any public or private area where they will impede traffic flow into or out of the building. Bicycles are not permitted inside the building, with one exception: Professional staff and Graduate Assistants (excluding student staff) with offices in the HMSU may park their bikes inside their assigned office space. Bikes must be walked when inside the building.

Building Hours

Academic year

- Monday to Friday, 6:00am to 11:00pm
- Saturday and Sunday, 8:00am to 11:00pm

Operating hours will be reduced during student break periods and summer sessions. The building will be closed on all university holidays except for Labor Day and Martin Luther King Jr Day. Contact the Information Center at 812-237-3999 for more information about operating hours.

Candles/Pyrotechnics/Fog/Smoke/Fire

Candles and other open flames are prohibited from use inside and around the HMSU. Equipment or substances that produce a pyrotechnic explosion, fog, smoke or fire are prohibited inside and around the HMSU.

Check In

Before a group can access a room or Information Table that has a confirmed reservation in the HMSU, at least one (1) individual from the group needs to check in at the Information Desk before the event starts. The room will remain locked until someone from the group has checked into the Information Desk. Once someone has checked in at the Information Desk, a HMSU staff member will proceed to meet the individual at the room and unlock the door. HMSU staff can provide basic instructions on how to use reserved technology in the room, or what other services are available.

If someone from the group never checks in at the Information Desk, the reservation will be determined as a “No Show”. See “Reservations, Cancellations and Violations” for impact.

Collection Boxes (Clothing, Food, Book Drives, etc.)

ISU departments and student organizations wanting to collect items for donation to a charitable organization must receive approval prior to setting up collection boxes in limited, designated areas in the HMSU facility. To request approval, please visit HMSU Operations (HMSU 209) or call at 812-237-3815. The collection boxes will be provided by HMSU.

- Only one (1) collection box will be approved at a time
- Collection boxes will be approved for a maximum of fourteen (14) days
- Collection boxes must be marked on all sides, with the items to be collected, the name of the charity, a contact number and the name of the sponsoring ISU organization or department

All COVID-19 guidelines are subject to change based on updates to University policy or protocols, as guided by university administration and local, state, and federal health guidelines. HMSU will update as necessary.

Damage, Theft and Vandalism

Individuals responsible for any acts of damage and/or vandalism to the HMSU, or any unauthorized removal of items (including furniture and equipment) from the facility will be referred to appropriate authorities and/or will be held financially accountable for their actions. Students will be referred to Student Support & Accountability for disciplinary action. Faculty and staff will be referred to the appropriate supervisor from their assigned

department and the Office of Human Resources. Those not associated with the university will be referred to ISU Public Safety. Students, faculty, and staff may also be referred to ISU Public Safety.

Organizations that have excessive clean up or damages after an event may be charged a fee. The determination of excessive cleanup or damages and the cost will be determined by the HMSU Director or designee. Organizations or departments sponsoring events will be held responsible for the actions of all their guests.

Elevators

There are two public elevators located in the HMSU, which can be used to reach each level of the building. Individuals should not congregate in front of the elevator doors, as this will impede the normal flow of traffic. During a fire evacuation, the use of the elevators is prohibited, and the stairs should be the primary method of egress.

Freight elevators are prohibited for use by the public, unless accompanied by HMSU staff.

Emergency Procedures

In case of emergency, remain calm and proceed accordingly based on the nature of the emergency (i.e., fire alarm > exit the building; severe weather > proceed to back hallway or basement, active shooter > take cover away from doors, etc.), and follow any instructions provided by the HMSU staff or emergency team. Call 812-237-5555 or 911 to report an emergency.

Please contact the Information Desk (812-237-3999) or see the Shift Supervisor if you have a personal emergency or need assistance.

Fire Alarms

When a fire alarm sounds, Indiana law requires the complete evacuation of the building. All building occupants should leave the building quickly and follow all instructions of the HMSU staff or university personnel. Once out of the building, move at least 100 feet away from the building and do not block doorways, sidewalks or the street.

If you are unable to evacuate please contact the information desk at 812-237-3999 immediately.

Flammable Materials

Flammable materials may not be used anywhere in the HMSU. Exceptions include small helium tanks or materials required for the operation of the HMSU facility.

Food Service and Catering

For catering information:

- Website: <https://indstate.sodexomyway.com/catering/index.html>
- Phone: 812-237-7618
- Location: HMSU 215
- Department: ISU Dining Services (Sodexo)

Guidelines: Catering

- ISU grants Sodexo the exclusive right to provide food service and catering in the HMSU
- Food service or catering requests are to be placed with Sodexo only after the room confirmation has been received. See “Reservations, Cancellations and Violations”
- Any fundraising activities including but not limited to the sale of baked goods or food items are not allowed to be sold in the Commons due to the proximity of the Commons Food Court. They may be sold in other approved locations. See “Information Tables – Sales and Solicitation”
- Outside food and beverages may not be brought into any reservable space in the HMSU. All food and beverages to be served must be ordered through Flavours Catering by Sodexo
- Exceptions for outside food may be requested by completing a HMSU Sodexo Catering Waiver Service request which is available in the Catering Office (HMSU 215). It must be submitted and approved by Dining Services ten (10) business days in advance of the scheduled event
- When a HMSU Sodexo Catering Waiver Service request for food is approved, beverages must be ordered through Sodexo. ISU is a Pepsi campus
- There may be a service charge for a Sodexo staff member to supervise the set up and tear down of an event. Sodexo does not monitor the preparation and service of the food when Sodexo is not the caterer of record

Fronting

Registered student organizations or university departments may not serve as "fronts" for non-university groups or university departments (in the case of registered student organizations) in order for these departments/groups to gain free use of HMSU meeting space or access to information tables.

To avoid questions of fronting, reservations made by registered student organizations or university departments must be for events that meet the following guidelines:

- The event/meeting must be conceptualized, planned, and managed by student members of the registered student organization (for events registered as student organization events) or staff employed by the university department (for events registered as department events) and must be associated with a documented organization or department initiative
- Registered student organizations that are on probation with HMSU are not allowed to cosponsor an event in the HMSU with another registered student organization
- Any costs associated with the event/meeting must be paid by the registered student organization or university department
- In the case of an information table, the table must be to promote an event or initiative of the department or student organization and must be staffed at all times by members of the department staff or the student organization
- HMSU staff in coordination with Conference and Event Services will make the final determination as to whether an event is a registered student organization or university department event by considering the nature of the event and potential attendees, the purpose/goals of the university department or registered student organization, and past experience with respect to similar events

Furniture

Furniture and room setups may not be moved. Exceptions may only be granted by an HMSU staff member.

Gambling and Games of Chance

Per the Code of Student Conduct (3.3.7) - Gambling refers to engaging in gambling, wagering, or other games of chance in violation of the law. Any fundraising activity that

occurs as a game of chance/gambling (including raffles, lotteries, bingo, poker, charity night games and door prize drawings) in which money has been exchanged for a chance at money or prizes is prohibited in the HMSU.

ISU or student organizations may sponsor bingo events, charity game nights, door prize events, and raffle events. To sponsor an event, an organization must be a “Qualified Organization”, which for all practical purposes means the organization is a qualified 501 organization. If an organization is not a “Qualified Organization”, ISU must request permission with the Indiana Gaming Commission.

Any questions concerning gambling and games of chance need to be directed to the Office of the General Counsel at Indiana State University at 812-237-4141.

Information Tables – Sales and Solicitation

The HMSU Sales and Solicitation tables are located on the first floor of the HMSU and the Commons. There are two (2) tables in the Main Vestibule and four (4) kiosk tables in the HMSU Commons.

Sales and solicitations may be conducted on campus by a registered student organization or ISU department. Off-campus charitable, not-for-profit, commercial enterprises offer programming opportunities that often include sales, may be brought onto campus under the sponsorship of a registered student organization or ISU department. Alumni must be sponsored by a registered student organization or ISU department. All sales and solicitations must comply with University regulations and policies, as well as local, state, and federal laws and ordinances.

A registered student group or an ISU Department that is in good standing can reserve these tables by scheduling through Conference and Event Services. (<http://venues.indstate.edu/>) and the online reservations portal.

For assistance with Conference and Event Services online reservations system:

Lounges

There are two (3) student lounges in the HMSU: the Commuter Connections Lounge, the Veterans Resource Center and The Hub. All are open student lounges and cannot be

reserved. The Veterans Resource Center also serves as an office and may periodically be closed for special events or meetings. Outside food is allowed in these lounges.

Formal meetings, rehearsals and dressing rooms are not allowed in the open lounges in order to maintain the integrity of the space. VIP events can be reserved in the open lounges. VIP events are determined by the HMSU Director or designee. Unauthorized advertising is not allowed in these lounges. The furniture grouping in each lounge space is not to be moved by individuals. All users of the open lounge spaces should be sensitive to others using the space and keep the noise level to a satisfactory level. Dancing is not allowed in these lounges.

Lost and Found

Items that are found in the HMSU should be turned in at the Information Desk.

On a weekly basis lost items will be turned into ISU Public Safety. Highly valuable items such as purses, wallets, cell phones, and credit cards are logged in and then turned over to the ISU Public Safety on a daily basis.

The HMSU staff will not be held responsible for any materials, equipment or personal items left in the building. If you believe your property has been stolen, you should contact ISU Public Safety immediately by calling 812-237-5555.

Per ISU Policy Library – Policy 745: Motor Vehicle, Parking and Other Traffic Regulations, the operation and/or parking of all motorized vehicles, including motorcycles, mopeds, golf carts and hoverboards (also known as self-balancing scooters, battery-operated scooters,

or hands-free Segways), on the sidewalks, pedestrian paths, or lawns of property owned, leased, or used by Indiana State University is expressly prohibited - the exception being identified university service related vehicles, handicap service related vehicles, and emergency vehicles.

The use of skateboards, bicycles, in-line skates, roller blades, shoe skates, Segways, hoverboards or other wheeled devices are prohibited inside the HMSU.

Movies/Films/Video/Online Streaming

Motion pictures and other audiovisual works that are available for rental or purchase are intended for personal, private, home use only. If you wish to show the work in any other place, you must have a separate license that specifically authorizes the public performance of that work. All other public performances of motion pictures and other audiovisual works are illegal unless they have been authorized by license. Even performances in semipublic places such as clubs, lodges, factories, summer camps and schools are public performances subject to copyright control. Both for-profit organizations and non-profit institutions must secure a license to show films, regardless of whether an admission fee is charged.

Event sponsors planning to show any portion of a film or video are required to provide a public performance license or other proof of permission from the copyright owner. Prerecorded DVDs that are rented or sold by video stores and suppliers throughout the United States are licensed by the copyright owner for private use only. Purchase and rental of DVDs does not include the right to show the work in a public or semi-public setting. The same rules apply to movies and TV shows online or stream (i.e. Netflix) right to a smart TV, game console, PC, Mac, mobile, tablet, etc. and projected in a public or semi-public setting.

Noise and Amplified Sound

Keep noise within a reasonable level as to not interfere with adjacent areas. All users of the public areas and open lounge spaces should be sensitive to others using the space and keep the noise to a satisfactory level.

2nd, 3rd and 4th floors of HMSU

Singing, dancing, aerobics, self-defense courses, recorded music or instrumental music of any kind is not permitted on the 2nd, 3rd or 4th floors of HMSU. Closeness of the rooms and noise crossover present a conflict with other meetings.

HMSU areas outside of meeting and Dede conference rooms

If an event requires amplified sound, the HMSU staff must be notified at least ten (10) business days prior to the event so that other clients and tenants may be informed. The HMSU staff reserves the right to ask clients to alter the sound level of their event should it disrupt other business or events in the facility. See “Sponsored Presentations”.

Dede plaza and other outside areas of HMSU

Amplified sound or any other unreasonable noise generated by mechanical or other causes will follow the university guidelines. If an event will not impact the operations of nearby buildings (Admissions, Career Center and Science Building), live music or a DJ will generally be permitted during the following periods:

- Monday through Friday – 11:30 a.m. to 1 p.m.
- Sunday through Thursday – 4 p.m. to 10 p.m. ○
- Friday – 4 p.m. to 11 p.m. ○ Saturday – 8 a.m. to 11 p.m.

Non-Discrimination and Anti-Harassment Policy

ISU University Policy 923: Non-Discrimination and Anti-Harassment prohibits discrimination on the basis of: age, disability, genetic information, national origin, pregnancy, race/color, religion, sex, gender identity or expression, sexual orientation, veteran status, or any other class protected by federal and state statutes. Discrimination based upon any protected class is strictly prohibited in ISU programs and activities or that interferes with the educational or workplace environment. All concerns, needs, or inquiries should be directed to the Office of Equal Opportunity and Title IX.

Print & Laptop Docking Stations

The Office of Information Technology hosts two (2) printer stations. Students, faculty and staff must have money allocated to their account to pay for copies. One is located near the north entry of the HMSU and the other one is located in the Commons.

Laptop docking stations are located in HMSU 143 (Linda Eldred Student Leadership Center), The Hub, and the Commuter Lounge. The stations are for public use. Any damage should be reported to HMSU staff.

Priority Scheduling

The HMSU has developed a priority scheduling system to determine when a student organization, university department or external group may begin placing reservations for the following academic year. Those organizations can begin scheduling for the following fall/spring and subsequent summer months:

- Priority Group 1 (**1st business day of December**). University sponsored, university-wide events such as New Student Orientation, Sycamore Preview Day, Homecoming Events, etc.
- Priority Group 2 (**1st business day of February**). Student Organizations. Scheduling is limited to student organizations that are registered with ISU TreeHouse during the current year
- Priority Group 3 (**1st business day of March**). Academic and Administrative Departments
- Priority Group 4 (**1st business day of April**). External groups or individuals

If requests are not made during the priority period listed, their reservation requests will become part of the first-come, first serve process. Recurring university events must be scheduled each year with the Conference and Event Services Office. There are no events that are automatically scheduled year after year.

Public Phones

There is a public phone located on the pillar across from the Information Center. Only university and local calls may be made on this phone. The phone is not set up to receive any calls and is not equipped for making long distance calls.
