## Summer Graduation Initiative Plan of Study

The Summer Graduation Initiative is a unique opportunity to take summer classes at a reduced rate of tuition in order to graduate in August. In order to qualify for this opportunity, students must complete all coursework necessary to graduate by the end of the summer session.

Please list the courses you intend to take this summer in the table below. A sample table is included to provide an example of the kinds of information that should be included. **This Plan of Study should be completed in consultation with an academic advisor who can verify that successful completion of the courses listed will complete all degree requirements for the student.** The Plan of Study MUST be signed by a representative in the student's Dean's Office. The Dean's Office will submit the Plan of Study with the Statement of Understanding to Susan Powers via email. \_\_\_\_\_

**SAMPLE**

CRN	Course Number/Name	Credit Hours	Summer Term	Day/Time
21558	HIST 202-001 United States since 1865	3	Summer I	WEB
30591	BUS 401-001 Senior Business Experience	3	Summer II	MTWR 9:00-12:00

CRN	Course Number/Name	Credit Hours	Summer Term	Day/Time

Please list classes below that are needed to graduate but that are not currently available in the schedule of summer classes. Although we cannot guarantee that these classes will be offered, we will make every effort to do so.
