TO: Registered Student Organization Presidents & Advisors

FROM: Andy Morgan, Ph.D.
Interim Vice President for Student Affairs

RE: Student Organization Directives; Fraternity & Sorority moratorium lifted

The Fall Event Planning COVID-19 Related Guidance for Large Events and Gatherings and the Temporary Student Directives for the Prevention of COVID-19 will remain in effect for all in-person activities along with these additional guidelines:

a. Registered Student Organizations must create an Event on the Treehouse for all sponsored in-person activities (meetings, activities, service, etc.). This applies to on-campus and off-campus activities.

b. At least one of the student organization's advisor(s) of record (as approved by Campus Life or Fraternity & Sorority Life) must be in attendance for the entirety of the student organization's in-person event. This advisor is included in the total event attendance.

c. Exceptions to these student organization guidelines must be approved in advance by Office of Campus Life or Office of Fraternity & Sorority Life.

d. Current guidelines on face coverings and social distancing will continue for all in-person events.

e. If these guidelines cannot be met, the student organization's event must be virtual. When an event is held virtually, it is highly encouraged that participants utilize individual monitors/devices/screens, avoid sharing monitors/devices/screens, and maintain social distancing when more than one person is in a shared space.

f. Any student or student organization in violation of these guidelines will be referred to Student Conduct and Integrity.

Due to the reduction in student quarantine and isolation cases, the moratorium announced September 2, 2020 for fraternities and sororities on recruitment and new member activities is now lifted. Student organizations are encouraged to hold events virtually. Panhellenic Recruitment will resume with consultation among the Office of Fraternity & Sorority Life, Panhellenic Association officers, Panhellenic organizations and their advisors, and the National Panhellenic Conference. Interfraternity Council (IFC) recruitment and National Pan-Hellenic Council (NPHC) intake may resume according to guidelines established by the respective Council and the Office of Fraternity & Sorority Life.
