Dependent Care FSA

Can I adjust my Dependent Care election due to the school and daycare facility closures?
Yes, this would be considered a qualifying life event that would allow you to make an election change. You are able to increase your election if your replacement-care is more expensive or stop or decrease your election if you are no longer paying for dependent care. You can only lower your election down to the amount of deductions that have been taken YTD (no refunds will be issued). You will need to provide some type of documentation from your daycare provider that states the closure, however, this could be in the form of email or closure notice from the provider’s website. Please click here for the form to adjust your election for 2020. Once complete please submit to the Employee Benefits Office or email forms to ISU-SB@indstate.edu.

Please note: If your dependent returns to daycare before the end of the year, that will qualify as another life event where you can adjust your election to cover the anticipated costs for the remainder of the year.

Retirement Plans

TIAA
You are always welcome to contact Employee Benefits with questions on how to make a change to your retirement contributions or any other questions. However, if you are inquiring about the options available to you from TIAA in response to the CARES Act, please contact TIAA at 1-800-842-2252 or visit them online.

PERF (INPRS)
You are always welcome to contact Employee Benefits with questions about your INPRS retirement, but some services must be handled with INPRS directly. Please see your options for contacting INPRS below.

- Your online account is accessible as usual and is the best way to quickly access your account information. Click here to log in. If you need help getting logged in, click here.
