

### **HR's Human Resources Training Sessions**

Human Resources understands that there are numerous systems that employees must master in order to perform their everyday duties. Human Resources is proud to present some of our campus' human resources to provide an introduction, or refresher, to these systems. These sessions are built for walk-ins. However, you may register below to receive a reminder about the training.

If you are unable to attend a particular session, we will be hosting another series in early June.

For detailed information about each topic and to register, please visit the [HR's Human Resources](#) webpage.

If you have any questions or need more information, please contact Sierra Gale at [Sierra.Gale@indstate.edu](mailto:Sierra.Gale@indstate.edu) or 812-237-4117.
