Using Benny

Using your Benny® Prepaid Benefits Card at a Store

Pay for eligible expenses with your Benny® prepaid benefits card. In most cases no further follow-up will be required. If you have a Limited Flexible Spending Account, your card may only be used for vision and dental expenses. To pay using Benny:

1. **Give** the cashier your Benny prepaid benefits card.
2. **If you have** enough money in your account and you have eligible items, the amount of those purchases will be deducted automatically from your account.
3. **Save** your receipts to verify that your expenses comply with IRS guidelines. Most eligible expenses are approved automatically but you may be asked for copies to verify some of your purchases. Your receipt must show the merchant or provider name, service received or item purchased, date and amount of the expense.

You May Add a PIN to Your Benny® Prepaid Benefits Card

You may choose to use your card by swiping it and providing a signature or through the use of a four-digit Personal Identification Number (PIN) at the point of sale.

The use of a PIN is not required to access your funds through the card. Even if you choose to add a PIN and forget it, you may choose *Credit* on the keypad and sign for the charge.

To use your optional PIN number, choose Debit on the keypad and enter your PIN when requested.

Call 1.866.898.9795 to set up a PIN for your Benny prepaid benefits card

Chard Snyder cannot change or provide a lost PIN number. You must call the phone number provided above for those services.

Special Rules for Dependent Daycare

- Use your dependent daycare account for dependent children under the age of 13 or dependents of any age who are unable to care for themselves.
- The maximum a household may set aside is \$5,000. Married couples filing singly may each set aside up to \$2,500.
- Divorced couples should check our website for special rules.
- You may only be reimbursed for the amount you have available in your account at the time of your claim.
- Services must be provided while you and your spouse are at work, looking for work or attending classes as a full-time student
- Services must be provided during the current plan year.

Using your Benny® Prepaid Benefits Card at the Doctor's, Dentist's or Optical Office

- The charges provided at the time of service may not reflect any discounts negotiated by your insurance company. Use your card to pay for these services after you receive an Explanation of Benefits (EOB) from your insurance company
- Compare the EOB with your provider's invoice to confirm that you are paying the correct amount. Write your Benny number in the space provided for a card payment on the invoice and send it back to your provider or pay your provider online
- If your provider requires payment at the time of service, pay a minimum amount and the balance after you receive your EOB
- Make sure you send in copies of your receipts or EOBs if you receive a letter from Chard Snyder requesting them. If requested receipts are not sent in, your Benny could be suspended

Remember

A valid receipt must include both the actual date and type of service you received, the provider's name and the amount you must pay

Benny Facts

You Will Receive Two Cards

You will receive two Benny® prepaid benefits cards with your name on the front. *Whoever signs the back is the user of the card.* See the expiration date on the front of the card and don't throw them away too soon. Keep your card in a safe place and it will automatically be reloaded the next year you re-enroll.

Activating Your Card

Call the toll-free number on the activation sticker on the front of your card or visit our website. You can use both cards once the first card is activated – you do not need to activate both.

Don't Forget to Keep Your Receipts In a Safe Place

Save your receipts...you may be asked to provide proof that you purchased an eligible item or received an eligible service. All receipts/bills must include a date of service during the plan year, a description of the service, the provider's name and the cost in order to be eligible for reimbursement. If you lose your receipt, the service provider can usually provide an account history or replacement receipt.

If Your Card is Lost or Stolen

Call Chard Snyder directly at 513.459.9997 or 800.982.7715 or log into your account to report a card lost or stolen as soon as you realize it is missing. We will cancel your current cards and issue replacement cards.

If Your Benny Doesn't Work...

There are several reasons why a card may be declined at the cash register. The most common are:

- Your plan year has not started.
- The card has not been activated.
- The merchant is encountering problems (for example, coding or swipe box issues).
- The merchant is not approved to accept the card.
- The card has been suspended because Chard Snyder has not received receipts as requested.

Benny will not work for over-the-counter drugs and medicines such as ibuprofen, acetaminophen or cough syrup. These items are eligible with a prescription from your doctor. You should send a copy of the prescription to Chard Snyder. We will file the prescription for one year of refills and then you will need a new one. For reimbursement, submit a claim along with a copy of your receipt.

Save on Dependent Daycare, Too...

Services must be provided during the current plan year while you and your spouse are at work, looking for work or attending classes as a full-time student.

Changing Your Election

Federal regulations do not allow you to change the amount of money you decide to have deducted for your FSA except in the case of life events such as:

- You marry or divorce
- You adopt a child or have a baby
- There is a death in your immediate family or your adoption proceedings are not completed
- One of your dependents becomes over-age
- Your spouse gains or loses eligibility for a plan through their employer
- Your dependent daycare costs change

You must notify your employer within 30 days of any of the changes listed above. Human Resources will help you complete any required paperwork.

What Happens When You Leave Your Job or Become Ineligible for the Benefit?

If you leave your current place of employment or become ineligible for the plan, you may still have a certain period of time to submit claims for services or items purchased before you became ineligible. Call Chard Snyder or ask your human resources department for the period of time allowed for these claims under your plan's rules. Any money remaining in your account at the end of your run-out period is lost.

If you choose to elect COBRA for your healthcare Flexible Spending Account, you will be required to continue to put the same amount of money in the account every month after tax as you put in before tax before you left your position. Using COBRA to continue a healthcare FSA can be a way to use the balance in your account for eligible expenses you incur following your termination.
