

Student Involvement on Campus

Involved students have been shown to have higher GPA's and are more likely to do well and persist through to graduation. Getting involved on campus is a great way to expand a student's interest and work on skills that will be valued by their future employers!

At Indiana State, the Office of Campus Life oversees the almost 300 student clubs and organizations. From the Badminton Club, to Bless the Mic, Dance Marathon and the Quidditch Club, there is something for everyone! Encourage your student to attend the Involvement Fair, held in the spring and fall, as well as the Treehouse badge in their MyISU portal, to find out more about involvement opportunities on campus.

The 7th floor of the Hulman Memorial Student Union is home to the following student resource centers:

Multicultural Services and Programs

Women's Resource Center

La Casita Student Resource Center

International Student Resource Center

LGBTQ Student Resource Center

But clubs and organizations aren't the only way for students to get involved! ISU has a long history of pride and traditions such as:

Homecoming:

Blue and White Parade

Tricycle Derby

Spring Week:

Tandem Race

Spring Sing

Family Weekend

Donaghy Day

ISU Athletics
