OLLI at Indiana State University

Mission Statement
The Osher Lifelong Learning Institute is a forum for adults of all academic and economic backgrounds to learn about a wide variety of subjects they find interesting and engaging. It is made possible by the substantial support of the Bernard Osher Foundation and Indiana State University that the Institute can offer these unique learning opportunities to residents of the Wabash Valley.

Who are OLLI at ISU Members?
Our members come from many different backgrounds with one common purpose: they all want to learn. What each member wants to learn differs, of course, which is why OLLI offers an enormous range of topics. But all of the learning takes place in a setting that has no pressure. That is without tests, grades, and prerequisites. Also, there is no homework and every aspect of participation is voluntary! In addition, however members get together—in classes, for special events, or at weekly presentations—they can meet new people, enjoy casual conversations, and share their experiences and opinions.

Membership
Best of all, as one member said, “The price is right!” Membership is $40 for one year (September through August) or $20 per semester Fall (Sept. – Dec.), Winter (Jan. – April), Summer (May – August). Included with OLLI membership are all of the presentations and one course each semester. The cost of special events and additional courses varies. (See “Membership Benefits” for more details.)

Membership Benefits
When you join OLLI, you
• Become a part of a vibrant community of engaged and engaging members.
• Can attend weekly, one-hour presentations on a wide range of topics from serious to the humorous and from the vital to the frivolous. (All of these presentations are included with membership.)
• Are able to participate in local and regional day trips that explore our area’s history and natural beauty. In addition, members receive early notice of longer trips in the United States and abroad. (These trips usually have additional fees.)
• Receive weekly e-mail announcements and reminders about OLLI programs as well as community events and ISU programs.
• Have access to non-credit courses (either full semester or short courses) taught by community experts as well as faculty from Indiana State, Rose-Hulman and St. Mary-of-the-Woods. The topics are often suggested by the members and include the arts, sciences, history, technology, religion, writing, local and global issues – to name only a few!

For the winter semester members receive one free course from the list below. To take advantage of this benefit, use the registration form on pages 45-46 of this guide or call the OLLI office at ISU at 812-237-9040.

OLLI offers an outlet for seniors to explore whatever interests them. For me, it is as varied as learning about the Amazon, joining a mystery book club, and eating at new restaurants. But whatever your interests, OLLI delivers such wide-ranging options you are sure to find something you will enjoy. Join and support OLLI. You’ll have a lot of fun!

- Chris Schellenberg

The wide variety of offerings in our local OLLI program allows me to select opportunities for learning and intellectual renewal in areas of new interest as well as in familiar realms invigorated by dynamic presenters. Dining events, entertainment, and cultural enrichment programs complete an excellent schedule throughout the year. My life is greatly enhanced by my participation in OLLI at ISU.

- Gene England

I have thoroughly enjoyed the classes and presentations that I have been able to attend. I have always been interested when I saw the program guide, and I can now participate since I am now retired. I attended the Indigenous Culture class and the Supreme Court, it was so rewarding to learn about the Amazon and how much decisions by the Supreme Court affect our lives. The presentations on Rocky Ridge and 1968 were awesome and brought forth many memories from that time period. I also enjoyed the book discussion of “The Devil in the White City”. It was interesting to get background and find out new information about the people and the strategies for putting together the Expo. I am looking forward to the next schedule of presentations.

Why Donate to OLLI

Why OLLI Members Give

“Donating to OLLI is like making a sound investment in my own future, as well as a way of saying, ‘thank you’ for the wide variety of experiences OLLI continually offers. OLLI has become an amazing part of my life.” — Judy H.

“OLLI is a shining light in my life. Attend just one class and you’ll see what I mean. I give because OLLI has earned my support many times over.” — Richard W.

The OLLI Annual Fund – Why Is It Needed?
Membership fees cover only a portion of the amount OLLI needs to operate. Your contribution means that yearly membership dues can be kept low as we continue to bring you the high-quality educational program you’ve come to expect from OLLI. The annual fund accounts for 7% of the overall budget, and plays an important role in keeping the budget in balance. In addition, it meets a key requirement of our endowment from the Bernard Osher Foundation that we engage in fund-raising efforts each year.

The Perfect Time to Give
Our heartfelt thanks to all of you who have given so generously in response to our fall 2018 donation letter. For those still considering a gift, we would like to challenge you to make the same investment in our institute that the Osher Foundation and other OLLI members have done by asking you to contribute to the institute that has become a large part of the lives of individuals in our community. Our goal is to raise $20,000 by August 1, 2019 with fifty percent of our membership contributing. As of right now we have raised $4,737 with twenty-two percent of the membership having already contributed.

Marvel at the iconic Great Sphinx, one of the oldest and largest monuments in the world. This afternoon, travel south to Sakkara. Explore the site of ancient Memphis, home to a nearly 40-foot statue of Ramses II, and stand before the oldest of all pyramids, the Step Pyramid. This evening, enjoy a special welcome dinner overlooking the banks of the Nile.

Day 4 December 7, 2019: Cairo - Luxor

This afternoon, return to the East Bank and behold the Luxor Temple, a creation of kings Amenhotep III and Ramses II.
