

**Performing Arts Series Committee
2020-21 Summary Report**

I want to give you a report about the 2020-21 Performing Arts Series Committee Meetings. We met November 30, 2020 via Zoom and then again April 21, 2021 in person.

November 30th Meeting

I sent attachments in advance as follows:

PAS Thru the Years

PAS Mission Goals Committee Expectations

2021-22 PAS Shows

2022-23 Potential Shows

Ranking Worksheet

We discussed each of these. I also asked that they rank their top 5 so that we could discuss the options. I also announced that the entire season was being moved to 2021-22 due to COVID.

April 21st Meeting

We met at Hulman Center. Folders were passed out to each committee member which included:

2021-22 PAS Season Flyer with updated dates listed

PAS Thru the Years

PAS Mission Goals

We went thru the upcoming year's shows and watched a short video of each show. We talked about options for the future as well. There was a lot of discussion about Oldies choices and the diversity of our shows. We are all looking forward to having Live Events again! They certainly are excited about looking to the future with new shows.

Please let me know if you need further information.
