

**Student Success Council
2017-2018 Report**

The Student Success Council operates within the framework of 6 committees. Focal projects this year included (a) assistance with the annual statewide Student Success Conference (October 2017), (b) the Spring 2018 professional development series for the campus, (c) assessment and input on the annual departmental student success plan process, (d) assessment and input on student success themed Strategic Plan goals and initiatives, (e) a student completion-themed inferential study updating previous work in this area, and (f) in collaboration with the ISU Assessment Council, offered recommendations on a merged student learning and student success assessment process that has been adopted by the campus for the 2018-19 academic year.
