This program has the following minimum GPA requirements: 2.50 overall GPA; 2.50 in all Major and Concentration course work. ENG 105 or equivalent is required for all BAS graduates. A grade of C or better is required for all major courses.

*Because of the 45-hour 300/400 level course requirements for graduation, students must take a minimum of 9 credit hours (3 courses) of Foundational Studies courses from the 300-400 level offerings.. If any of the student's previous coursework fulfills the requirement for a 300/400 level course (e.g., AHS 340), the student will need to take a 300/400 level course to replace that course.

Indiana State University's priority date for filing the FAFSA is April 15. Students must earn 30 credit hours each academic year in order to maximize financial aid from the state of Indiana. Details about how to apply for financial aid, eligibility criteria, and awarding rules are available online at https://www.indstate.edu/financial-aid/apply. Students may view their specific financial file by logging into the MyISU Portal at https://isuportal.indstate.edu/.
