

Math Placement Guidelines

All new students are encouraged to take the Math Placement Exam prior to attending State Orientation. The Math Placement Exam is offered online at www.indstate.edu/testing/mathplacement.html. It is a service provided by the company Mobius and is free for students (both new and current).

Placement Exam Score	Math Course Placement
0-11	035
12-20	102, 105, 112, 115, 116, or 241
21 to 30	122, 123, 129, or 131

Math Placement Scores can be found on:

- MySAM : Test scores are available on students' MySAM in the "Worksheet" tab, toward the bottom in the "Test Scores" section. The scores are coded "Maple Part A" (score for Part A), "Maple Part B" (score for Part B which is only accessible if a student scores a 12 or above on Part A), and "Maple TA" which is the total score and is used to determine the appropriate math class.
- DARS: They will also appear on a student's DARS, toward the bottom and coded MTA (for Maple TA total score), MTAA (score for Part A), and MTAB (score for Part B, which is only accessible if a student scores a 12 or above on Part A).
- Banner: Scores are automatically synced to Banner in SOATEST

Retaking the Math Placement Exam:

Beginning August 4, 2022, students who have received permission to retake the Math Placement Exam from their Academic Advisor, can have their test reset so they may take it again. Academic Advisors should email testing@indstate.edu with the student's name, student ID#, and their permission for the retake. In addition, they should copy the student who has received permission on this same email.

Please see the catalog for other math pre-requisites.

If you have any questions or concerns regarding the Math Placement Exam or scores recorded, please email University Testing at testing@indstate.edu, or call (812)237-9634.
