2. Events or gatherings hosted by ISU departments or student organizations may not exceed 50% of venue capacity for the period of June 1 – August 1.
3. Face coverings are required for all University-sponsored events and all externally-sponsored events held in University facilities.
4. All event attendees and event staff must complete the *Sycamore Symptom Assessment* and display their green check prior to entering an event. If this requirement is not feasible, develop and implement other procedures to check for signs and symptoms of guests upon arrival. Event organizers may post signage listing symptom questions. Participants that answer yes to any of the questions cannot participate in the event.

6. **Directive for Student Organization Activities:** Registered Student Organizations are encouraged to create an [Event on the Treehouse](#) for all sponsored in-person activities regardless of the anticipated attendance size. This applies to on-campus and off-campus activities.
