

Dede II COVID test site is for employees and students who have not uploaded vaccination proof

A blue rectangular logo with white text. The text reads "COVID-19" in a large, bold, sans-serif font, followed by "UPDATES" in a smaller, all-caps, sans-serif font, and "FOR INDIANA STATE" in the smallest, all-caps, sans-serif font at the bottom.

The COVID testing available on-campus in Dede II is for employees and students who have not uploaded a vaccination record and are therefore subject to routine testing under the [Sycamore Community Health Initiative](#). Testing is by appointment only.

This is not a public testing site. Those who need a COVID test due to symptoms, close contact status, or other needs should schedule an appointment off-campus. Search and find a testing site at <https://www.coronavirus.in.gov/vaccine/>

If an employee is seeking a test, please complete the ISU daily health survey and ISU contact tracers will provide direction.
