I would like to thank you for your interest in changing your major to Professional Aviation Flight Technology (PAFT).

The Flight Academy resources are currently limited, therefore there is an enrollment limitation set for PAFT each year. There are **no summer admissions** for Freshmen or Transfer students and very few openings for the Spring semester. Your best opportunity for acceptance is the Fall semester.

The Aviation Department has set the following dates for those students wishing to change their major to PAFT.

For those wishing to transfer in the Spring 2021 semester we will begin accepting applications for change of major students only, on September 1, 2020 with a deadline of October 1, 2020, with notice being given on October 21<sup>st</sup> as to whether or not you have been accepted. **Again, there are very few openings for the spring semester.**

For those wishing to transfer in the Fall 2021 semester we will begin accepting applications on August 1, 2020 with a deadline of January 15, 2021 with notice being given March 1, 2021.

There is no guarantee of acceptance into the PAFT major, there will only be consideration for applicants if there are any vacancies at the Flight Academy and resources available.

Please submit an application and an essay to: [ISU-AVT2@indstate.edu](mailto:ISU-AVT2@indstate.edu) Be sure to include "Application" or "Essay" in the subject line.
